

## **Bibliography for A critical review: Mobile Learning outside the classroom**

Nicola Beddall-Hill

The Bibliography has been split into sections relating to the literature review. Those sources that are the most valuable to this project are highlighted in **bold** and where possible hyperlinks to them are provided.

### General mobile learning sources

- Brown, E. (Eds). (2010). [Education in the wild: contextual and location-based mobile learning in action A report from the STELLAR Alpine Rendez-Vous workshop series.](#)**
